CORPORATE ACTIVITIES

ARCHERY

Test your aim using our modern recurve bows. One to One tuition from our trained instructors to guarantee you'll hit gold. Compete in our scoring, speed and knock out games to separate the winners from the rest.

AIR RIFLES

Test your skill using our 2.2 scoped air rifles. Aim at our different target, move slightly and you'll miss. Compete one on one or in a team, who will take the hardest shot. Just don't miss.

QUAD BIKING

Test out our Honda 250 Semi Auto Quad Bikes around our grounds. Test your nerve round our intensive course up climbs and down drops. You will be trained and led by a qualified instructor to confidently navigate across our purpose built course. High chance of getting muddy and guaranteed to be a highlight of your event.

SEGWAYS

Test your balance on our Off-Road Segway track. The X2's have more power and larger wheels to give you an Off road woodland experience in our Segway Safari. Compete in individual and team challenges around our slalom track and test your teamwork in the pits.

PUZZLE TRIAL

Test your hunting skills with the Puzzle Trail. The Puzzle Trail is a treasure hunt style activity where you and your team will hunt for our hidden clues around the MacDonald Hotels grounds. Explore the area and hunt using grid reference to find and test your brains on our quiz. The Puzzle Trail may be the activity off choice for a competitive but great for any group size or mix of active ability.

LASER CLAY SHOOTING

Test your speed when shooting our Laser Shotguns, Great introduction to using shotguns, shooting a laser with no kick backs or loud noises. All our guns can shoot at our moving clays at the same time making it the perfect choice for small or large groups or teams.

FORT BOYARD

Test your problem solving skills with our puzzles and brain teasers, compete in teams to complete our speed, memory, logic and communication challenges, Great challenge to get all team members involved, Fort Boyard will keep you on your toes, beware, it can be competitive.

FALCONRY

Get the chance to handle and fly 4 different birds of prey whilst learning all about them. Take a walk around the hotel grounds with the trained Birds of Prey and have the bird land on your glove along the way. With Owls, Hawks, Eagles and Falcons, take this opportunity to take a closer look.

CHAIN REACTION

A construction challenge with a Bang! The domino effect challenge, the first touch sets off a chain reaction resulting in a rocket launch. Each team has a segment in the chain where they will receive the forward flow of movement and pass it along to the next team. Failure is not an option. This challenge is a great team build where communication is essential. Loads of fun too.

BRIDGE BUILD

Cant beat an old classic. Bridge build has all the ingredients to make a winning team. A construction challenge needing your team to plan, work together, problem solve past the hazardous brief that is put in front of them.

CHOCOLATE CHALLENGE

Test your Creativity with our Chocolate Challenge. Mix and make your chocolates to suit your desired brief. A challenge that's great for small teams, working together in a relatively short time limit. Marks will be awarded for sales pitch, marketing, quality, and the aesthetics of your chocolates and chocolate box. How much do you know about chocolate? Take our quiz to find out more.

TREBUCHET

Test your DIY skills in building our Trebuchets. Follow the instructions and you'll be fine, too slow and water balloons or worse will bombard you. Work as one or arguably best with two teams competing against one another. A great team building and communication challenge. Just be nice.

MELT DOWN

Test out your timing in our Wipe Out Melt Down Challenge. The Melt Down inflatable has two rotating arms with the purpose of sending you flying. Can you take on and beat the Melt Down Total Wipe Out? You need to be motivated and have the stamina to beat it. It's a favorite for a finale or as added activity to any team build. Really fun to take part in or even just to watch.

TOXIC DROP ASSAULT COURSE

Test your stamina in our Boot Camp Assault Course. The challenge is to complete the assault course in the quickest time, ducking under and over, swing across and climb and slide to victory. Great as a finale to any team build or as an activity mixed with others. Teams can relay or race against others. READY, GET SET, GO.

HUMAN TABLE FOOTBALL

Try a game of Table Football. Choose this activity and you and your team can strap yourself in and compete in this different football experience. Unlike a normal kick around, you and your teammates can only move sideways. Very competitive and great as a single activity or as the It's A Knock Out challenge.

SMASH AND GRAB

Remember the classic game of Hungry Hippo's. Smash and Grab is just like that. Compete in a team or against others to gather the soft balls in the center. Attached to elastic, it's harder than you think. Great as a part of the It's A Knockout package.

VOLLEYBALL

Have a go at Volleyball with a difference. Your chance to be more athletic, you can dive and roll when you know you have a soft landing. Pick a team and get ready to dig, set and spike against the opposition.

IT'S A KNOCKOUT

Put all the above 4 together and combined make IT'S A KNOCKOUT. The family favorite TV Show comes to life. Maybe with a few added extra's thrown in to suit a large group size.

DUCK HERDING

Duck Herding is not only fun but funny to watch, With the help of a sheep dog, test your team on this different time trial. Watch out for the leader duck and keep them together, work out a plan to chase the ducks around a course and across the finish line. Top tip, form a tight horseshoe shape around the ducks, but I didn't tell you that.

BACK TO SCHOOL

Test your agility in the Back To School relay. Your teams will take a trip down memory lane, Can you remember winning last time? Test yourself a second time with the old favorites like Egg & Spoon, Sack, Over -Under, Water Sponge, Space hopper and many more. Didn't win last time, here's your chance.

BIG PICTURE

Let out the Picasso or Rembrandt in you and test out the artistic side in you creating a personalized Big Picture. Do you want something that your team has created hanging in the office? Every team member has a Jig Saw piece to paint, put them all together guaranteeing you end up with an accurate but abstract piece of art.

THE APPRENTICE

Will you be hired or fired! Compete in your team to beat the apprentice challenge. Your brief is to bring a pre-selected product to the UK market. You will be provided an I-Pad and some cash for market research, giving you the product knowledge to build your product or model. Complete your action plan with a created advert and pitch to convince our bosses you can think outside the box.

IT'S BEHIND YOU

Create your own pantomime sketch from our selection of props. Choose to put some of your company values into a classic fairy tale story. Will your Director be the hero, Prince Charming or Villain. It's Behind You brings the creative and fun side out in your team. With the help of costumes, props, make up and some funny audio snippets, laugh out loud memories waiting to happen.

BUSINESS BAKE OFF

Compete in your very own bake off! With help from your chosen brief, our chef can help you design and create your baked desert. Different briefs include building your ginger bread office, company aims on your cupcakes, or your company logo on your Victoria sponge. Our chef will be the judge, rewarding points for taste, texture and presentation to find out who will be crowned baker king or queen.
